

Royal

152 Royal Anne Lane

GPS Coordinates 35.4365,-78.7275

When you arrive at this address, follow the private dirt road remembering to keep left all the way to the end which is an open field. The path will wind to the right a bit and you will see a white house. The guys tend to use the back door as the main entrance so go around back and circle around the house when you leave.
